

2010 SCCEOPP

Emerging Leaders Institute (ELI)

Dear TRiO Directors,

As the Director you have the privilege of nominating a candidate for the SCCEOPP Emerging Leaders Institute (ELI). Please nominate candidates whom you have observed their leadership potential and would be honored for them to participate in the 2010 Class of Emerging Leaders.

What is SCCEOPP's Emerging Leaders Institute? SCCEOPP's ELI is a great way for TRiO professionals to begin their leadership journey. The focus of ELI is to develop successful leaders who have the desire to become involved in leadership opportunities in all areas of TRiO. Participants in this group develop their leadership abilities to serve in the executive branches of our governing organizations.

ELI requires that all participants serve in some capacity at the Annual GASPP/SCCEOPP Spring Conference. Emerging Leaders Co-chairs will notify participants of areas of need for the conference: such as workshop moderators and staff to manage the TRiO Store.

If selected, it would be expected that the candidate attend both the Emerging Leaders Institute (Monday, March 29, 2009 at 9:00 am) and the 37th Annual GASPP/SCCEOPP Spring Conference. If you are requesting the candidate to participate in this program he/she must have a supervisor, institution or agency support, and money to pay for the conference registration fee, lodging, meals, travel, etc. to attend the conference.

I hope that as the Director of your program, you will accept this invitation to participate and support your state organization. You may also give your nominee a copy of this letter as a means of notifying them of their nomination.

I look forward to your continued support of SCCEOPP.

Thanks,

Belinda Brownlee
